ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper

therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

DOMINION ORDERS IN COUNCIL.

P.C. No. 1271.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday the 26th day of July, 1924.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

THE Deputy of His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that the regulations for the administration of grazing lands in the Railway Belt, in the Province of British Columbia, established by Order in Council of the 13th day of May, 1910, and subsequent Orders in Council, be rescinded, and that the annexed regulations be made, established, and substituted in lieu thereof.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

To the Honourable

The Minister of the Interior.

REGULATIONS GOVERNING THE GRANTING AND ADMINISTRATION OF GRAZING LEASES ON DOMINION LANDS IN THE RAILWAY BELT, IN THE PROVINCE OF BRITISH COLUMBIA.

(1.) (a.) Grazing leases of vacant Dominion lands unfit for agricultural purposes in the Railway Belt, in the Province of British Columbia, may be issued to British subjects by birth, naturalization, and repatriation, covering a period of ten years. The lands covered shall not be open to sale, homestead entry, or other disposition during the continuance of the lease. Companies making application for leases must show that they are incorporated under the laws of the Dominion of Canada, or under the laws of any Province of the Dominion, and that the president, vice-president, and a majority of the directors are British subjects. In the granting of leases preference shall be given applicants who own adjoining lands.

(b.) In surveyed territory the land to be embraced in a leasehold shall be described by section, township, and range. In unsurveyed territory situated too far from surveyed lines to enable the officers of the Department to describe the tract applied for by section, township, and range, a description may be given by metes and bounds sufficiently definite to admit of the location of the tract being shown in the records of the Department, or, if required by the Minister, either before or after the issue of the lease, the applicant shall cause a survey of the tract to be made at his own expense by a Dominion land surveyor, under instructions from the Surveyor-General, and the plan and field-notes of such survey shall be deposited on record in the Department of the Interior.

(2.) No person or company shall acquire under lease under these regulations, by original grant or by assignment, more than twenty-five thousand acres.

A person or company already holding lands under lease acquired under any prior regulations shall only be entitled to acquire under these regulations, by original grant or by assignment, a sufficient area to make the total acreage held by such person or company twenty-five thousand acres.

A person or company may, however, acquire by assignment, irrespective of the area already held, any leasehold or portion thereof acquired under prior regulations.

(3.) All applications for grazing lease must be made on the official form direct to the Agent of Dominion Lands for the district in which the lands applied for are situated, and must be accompanied by an amount equal to the rental for six months. Upon such application being received by the Agent, the lands applied for, if available, shall be withdrawn from sale, homestead entry, or other disposition until such time as it is decided to grant or refuse a lease. Forms of application may be secured from any Agent of Dominion Lands upon request.

(4.) Before an application can be granted it will be necessary for the applicant to post up

notices of his application in at least four different conspicuous places on the lands applied for, and also in the nearest post-office thereto, for thirty days, and make a statutory declaration of having done so at the end of that period. The necessary forms will be supplied by the Department. A report shall also be obtained from an officer of the Department with a view to ascertaining whether or not the lands applied for, upon examination, are unfit for agricultural purposes.

(5.) Should the officer of the Department on making examination of a tract of land applied for find that owing to conflicting interests in the lands the granting of a lease to the applicant, or to any other person, would be an injustice to others, and that it would be impracticable to make a satisfactory division of the lands affected among the interested persons, such lands, if unfit for agricultural purposes, may be withdrawn from entry or sale and reserved for public grazing purposes.

(6.) The lessee shall, within each of the three years from the date of the lease, place upon the tract of land leased not less than one-third of the whole number of stock owned by him which is required to be placed upon the leasehold—namely, one head of cattle or five sheep for every thirty acres covered by the lease—and shall during the rest of its term maintain stock thereon owned by him in the proportion of one head of cattle or five sheep for every thirty acres of land leased. If upon inspection by an officer of the Department it is found that the leasehold will support more stock than the number stated herein, the Minister of the Interior may require the lessee to place additional stock on the leasehold. Should it be found, however, that the leasehold will not support the number stated, the Minister may allow the lessee to reduce the number of stock. The lessee must not graze stock other than his own on the leasehold.

The word "cattle" means hells, oxen, cows, and horses at least one year old.

(7.) It is required that at least twenty-five per cent. of the stock maintained on any leasehold shall be breeding stock.

(8.) The lessee shall, within one year from the date of execution of the lease, on behalf of the Department, furnish a statutory declaration showing that he is the owner of and has the required number of stock on the leasehold, and non-compliance with the requirements shall render his lease subject to summary cancellation. The lessee will be required thereafter to furnish a sworn return to the Department on the 1st of July in each year, and at such other times as the Department may decide, showing the number of head of stock on the leasehold.

(9.) The lessee shall pay an annual rental at the rate of two cents per acre for every acre covered by the lease, payable half-yearly in advance.

(10.) Upon the expiration of the term of the lease, should the Minister of the Interior decide to re-lease the lands covered, the former holder of the lease shall have the prior right to a renewal lease on complying with the regulations in force at that time.

(11.) A lease, whether granted under these or prior regulations, cannot be assigned without the consent of the Minister. A lessee desiring to assign his lease must pay all outstanding rental and furnish the Department with a properly executed, unconditional assignment of the lease, a registration fee of three dollars, and evidence from the proper official of the Provincial Government that all Provincial taxes on the lands covered by the assignment have been paid. If the assignee is an individual, a statutory declaration from him that he is a British subject must be furnished, while, if the assignee is an incorporated company, a statutory declaration from the president, secretary, or manager that the company is incorporated under the laws of the Dominion of Canada or under the laws of a Province of the Dominion, and that the president, vice-president, and majority of the directors of the company are British subjects, must be furnished. In no case shall an assignment be allowed unless the lessee has complied with clauses

(6) and (8) of these regulations by placing upon the leasehold not less than one-third of the whole number of stock which is required to be placed thereon, and has furnished a statutory declaration showing that he has done so, and that the said stock was owned by him; but this condition shall not be applicable to leases granted under prior regulations and brought under these regulations in accordance with the next following clause.

(12.) The holder of a lease acquired under former regulations, irrespective of the area contained therein, may relinquish his lease and acquire one under these regulations for a period of ten years on the condition that, upon inspection by an officer of the Department, the lands affected are found to be unfit for agricultural purposes, and that the lessee is utilizing the leasehold to its full extent for stock-grazing purposes.

(13.) Should the Minister of the Interior, at any time during the term of a lease, think it to be in the public interest to withdraw the whole or any portion of the lands included therein, provided such lands are required in connection with any system of irrigation-works or for sale under the irrigation system, he may, on giving the lessee three years' notice, withdraw such lands or cancel the lease; but any improvements owned by the lessee on the lands so withdrawn may be removed by him or he shall be entitled to compensation therefor; the amount of such compensation to be decided by the Department of the Interior.

(14.) If any lease is cancelled or expires and the land is re-leased for grazing purposes to other than the former lessee, the Department of the Interior shall collect from the person acquiring the lease the value of any ranch buildings, fences, wells, or other legitimate improvements required in connection with ranching operations which may be on the lands at the time such lands are re-leased; the said value to be fixed by the Department. The amount so collected shall be paid, upon application, to the former lessee after deducting any amount for which he may be indebted to the Department of the Interior, or to the Provincial Government for taxes. The former lessee shall, however, with the permission of the Department, have the option of removing any improvements owned by him which may be on the leasehold at the time his lease is cancelled or expires.

(15.) The lessee of four sections or more may construct buildings and corrals and make other improvements on a half-section of his leasehold, but shall not be deemed to have any vested rights in such land, but in the improvements only. In the event of the Department discontinuing the principle of granting grazing leases on Dominion lands, the lessee shall have the prior right to purchase the half-section on which his improvements are located at a price to be fixed by the Minister, of not less than five dollars per acre.

(16.) The lessee shall be entitled to the hay on his leasehold, but shall not be permitted to sell or barter the same.

(17.) The frontage of a leasehold on a lake, river, or creek shall not exceed one mile for every four miles in depth, except in cases where upon inspection it is found that the granting of such a leasehold would not be detrimental to the interests of other ranchers or settlers in the district.

(18.) The lessee may cultivate any portion of his leasehold for the purpose of growing winter feed for his stock, but shall not have the right to dispose of any such feed by hatter or sale.

(19.) Leases shall be issued subject to the right of the Province to take for road purposes, without compensation to the lessee, such land as may be required, not exceeding five per centum of the total area, provided the value of any improvements found on the land so required for road purposes shall be paid for by the Province; the said value to be fixed by the Minister of the Interior.

(20.) The lease shall be in such form and shall contain such provisions not inconsistent with these regulations as may be determined by the Minister.

(21.) The lease shall be subject to cancellation upon the failure of the lessee to fulfil any of the conditions thereof.

(22.) An office fee of five dollars will be charged for the issue of a lease.

(23.) If a lease has been secured by misrepresentations of any material facts, it may be summarily cancelled.

(24.) Any notice, demand, or other communication required under these regulations may be validly given and served by the Controller of the Timber and Grazing Lands Branch of the Department of the Interior, or by the Secretary of the Department.

(25.) All leases issued under these regulations shall be signed by the Minister, or by any officer of the Department specially authorized in writing by the Minister.
